10 – 13 Oct 2012	9th Congress of the Asian Pacific Federations of Societies for Surgery of the Hand (APFSSH)	Invited Speaker
8 – 9 Oct 2012	Inaugural Congress of Asian Pacific Federation of Societies for Reconstructive Microsurgery (APFSRM), Bali, Indonesia	Organising Committee - Subcommittee Chairman (Social & Hospitality/Publicity) Session Chairman
14 – 16 Sep 2012	AO Trauma Course – Faculty Education Program (FEP), Hong Kong, China	Teaching Faculty
10 – 15 Sep 2012	31st Basic Instructional Course on Microsurgery & Cadaveric Flap Dissection Course, Singapore	Co-chairman & Teaching Faculty
25 – 26 July 2012	AO Trauma Course – Course Chairperson Education Program (CEP), Singapore	Observer
Apr 2012	“An Interactive Session on Distal Radius Fracture” Organised by Malaysian Society for Surgery of the Hand (MSSH) & Synthes Malaysia, Kuala Lumpur, Malaysia	Invited Speaker
16 – 20 Apr 2012	30th Instructional Course on Basic Microsurgery, Singapore	Co-Chairman & Teaching Faculty
23 – 24 Mar 2012	Hand Arthroplasty Workshop at Tan Tock Seng Hospital, Singapore	Table Instructor
14 – 15 Mar 2012	1st Brachial Plexus Surgery Cadaveric Dissection Course 2012, Bangkok, Thailand	Participant
17 – 18 Feb 2012	21st Singapore Society for Hand Surgery Hand Review Course and Annual Scientific Meeting	Scientific Chairman & Speaker
9 – 10 Dec 2011	1st Hand Surgery Skills Course & Cadaveric Dissection, Singapore	Table Instructor
29 – 20 Nov 2011	AO Trauma Masters Workshop – Hand and Wrist with Anatomical Specimens, Basel, Switzerland	Participant
5 – 9 Sep 2011	29th Instructional Course on Basic Microsurgery, Singapore	Co-Chairman & Teaching Faculty
11 – 15 Aug 2011	AO Trauma Hand and Wrist Course, Singapore	Chairman & Speaker
19 May 2011	Charnley Centennial Meeting Hand & Wrist Day, United Kingdom	Participant
11 – 15 Apr 2011	28th Instructional Course on Basic Microsurgery, Singapore	Co-Chairman & Teaching Faculty
24 – 26 Feb 2011	AO Trauma – Hand and Wrist Course, New Delhi, India	Faculty
21 – 22 Jan 2011	20th Singapore Society for Hand Surgery Hand Review Course and Annual Scientific Meeting	Scientific Chairman & Invited Speaker
14 Jan 2011	SGH Wrist Dissection Course (HMDP visitor), Singapore	Chairman
9 – 22 Jan 2011	HMDP visitor in Wrist Surgery, Ministry of Health, Singapore	Local Co-ordinator & Host

26 – 27 Nov 2010	Advanced Wrist Arthroscopic Surgery Course with training on anatomical specimens (EWAS), Strasbourg, France	Participant
25 Nov 2010	Robotic- Assisted Surgery of the Hand Course (RASH society), Strasbourg, France	Participant
20 – 23 Nov 2010	AO Trauma – International Hand & Wrist Course with Practical Exercises, Basel, Switzerland	Participant
15 Nov 2010	SGH Division of Surgery forum: Operation Afghanistan – The Singapore Experience, Singapore	Chairman
31 Oct – 4 Nov 2010	11th Triennial Congress of the International Federation of Societies for Surgery of the Hand Symposium: Cubital Tunnel Syndrome – Recent Developments in Management, Seoul, South Korea	Symposia Organizer & Invited Speaker
31 Oct – 04 Nov 2010	11th Triennial Congress of the International Federation of Societies for Surgery of the Hand, Seoul, South Korea	Symposium Chairman & Invited Speaker
27 – 28 Oct 2010	2009 Hong Kong International Wrist Arthroscopy Workshop & Seminar Pre-Congress event to IFSSH 2010 Congress, Hong Kong, China	Participant
20 – 24 Sep 2010	27th Instructional Course on Basic Microsurgery, Singapore	Invited Speaker
20 – 24 Sep 2010	27th Instructional Course on Basic Microsurgery, Singapore	Co-Chairman & Teaching Faculty
24 – 27 Jun 2010	17th Annual Scientific Seminar & 9th Annual Meeting of Vietnam Orthopaedic Association 1) Enhance AO Osteosynthesis Technology 2) New Knowledge in Hand Surgery, Ho Chi Minh City, Vietnam	Invited Speaker
4 – 5 Jun 2010	Instructional Course in Hand Surgery (6th Meeting, 4th Series) Wrist & Occupational & Psychological Aspects of Hand Conditions, Manchester, UK	Participant
12 – 16 Apr 2010	26th Instructional Course on Basic Microsurgery, Singapore	Co-Chairman & Teaching Faculty
5 – 6 Mar 2010	19th Hand Review Course & Annual Scientific Meeting (National University Hospital), Singapore	Invited Speaker
5 – 6 Mar 2010	19th Hand Review Course & Annual Scientific Meeting (Organised by: Singapore Society for Surgery of the Hand), Singapore	Organising Committee & Teaching Faculty
5 – 10 Dec 2009	AO Trauma Course – Management of Fractures of the Hand & Wrist, Davos, Switzerland,	Participant
17 – 18 Nov 2009	The Wrist and Distal Radius: Arthroscopy and Reconstruction Workshop (TTSH), Singapore	Participant

17 – 18 Nov 2009	Wrist and Distal Radius: Arthroscopy and Reconstruction Workshop, Singapore Tan Tock Seng Hospital, Singapore	Course Instructor
12 – 15 Nov 2009	8th Asian Pacific Federation for Societies of Surgery of the Hand, Kaohsiung, Taiwan	Participant
30 Oct 2009	Upper Extremity Arthroplasty Workshop Venue: Wrightington Hospital (University of Manchester) Wigan, UK	Participant
19 – 23 Oct 2009	25th Instructional Course on Basic Microsurgery, Singapore	Co-Chairman & Teaching Faculty
Sep 2009	Wrist Arthroscopy Course – Training on Anatomical Specimen Advanced Course, Organised by GEAP-EWAS, Taichung, Taiwan	Participant
Apr 2009	SGH 18th Annual Scientific Meeting, Singapore	Participant
27 Mar 2009	Wrist, Forearm & Elbow Dissection Course (Department of Hand Surgery, SGH)	Organising Chairman
16 – 17 Jan 2009	18th Comprehensive Review Course & Annual Scientific Meeting (Organised by: Singapore Society for Surgery of the Hand)	Organising & Teaching Faculty
5 – 17 Jan 2009	HMDP Visitor in Hand Surgery, Ministry of Health, Singapore	Asst co-ordinator
9 Jan 2009	Anatomy and Hand Dissection Course (HMDP Visitor)	Co-Chairman
Aug 2008	The American Society for Surgery of the Hand Wrist and Elbow Arthroscopy Course, Rosemont, USA	Participant
24 – 28 Aug 2008	Triennial World 24th SICOT (International Society Hong Kong), Hong Kong SAR, China	Teaching Faculty
5 Jul 2008	SGH Combined Hand Surgery and Dermatology GP Lecture series, Singapore	Organising Chairman
28 Jun 2008	Singapore Society for Hand Surgery/Singapore Orthopaedic Association Hand Conference	Chairman
Jan 2008	17th Comprehensive Review Course & Annual Scientific Meeting (Organised by: Singapore Society for Surgery of the Hand)	Organising & Teaching Faculty
Mar 2007	Singapore General Hospital and Derby Hand Club Wrist Course, Singapore	Organizing Committee and Faculty
Mar 2007	16th Comprehensive Review Course & Annual Scientific Meeting (Organised by: Singapore Society for Surgery of the Hand)	Organising Faculty
26 – 29 Sep 2007	62nd American Society for Surgery of the Hand Annual Meeting, Seattle, USA	Participant
17 – 21 Mar 2007	International Advanced Wrist Symposium, Cairns, Australia	Participant
17 – 21 Mar 2007	International Wrist Investigators' Workshop, Cairns, Australia	Participant

11 – 15 Mar 2007	10th Congress of the International Federation of Societies for Surgery of the Hand, Sydney, Australia	Participant

RESEARCH

"Hypnotherapy: A Forgotten Modality in Managing Chronic Post-Traumatic Upper Limb Pain <i>Peter Mack, Andrew KT Yam, Andrew YH Chin</i> "	Co-investigator
Use of CO2 lavage in bone preparation prior to cementation – a cadaveric study (Supervisor, Prof John Stanley)	Co-investigator
Outcome of 'Radial Head Replacement on patients with Essex-Lopresti Syndrome' (Supervisor, Prof John Stanley)	Co-investigator
Prospective study on 'Outcome of Posterior Interosseous Neurectomy' (Supervisor, Prof John Stanley)	Co-investigator
Piso-hamate ligament reconstruction – a novel technique (Supervisor, Prof John Stanley)	Co-investigator
Produced video on Brunelli IV scapholunate reconstruction with Prof John Stanley	Co-producer
Wrist project entitled "Investigating the kinematics of the wrist and that of the scaphoid relative to the lunate, after a novel repair of the dorsal scapho-lunate interosseous ligament in a scapho-lunate disassociation" (NMRC grant)	Co-investigator
Was involved in research and data collection on prostatic cancer in the General Surgery Department, section of Urology, TTSH, 1999/2000 (Principal Investigator - Mr S J Chia, Consultant Urologist, Dept of General Surgery, TTSH)	Collaborator
Participated in research project on "Outcome of Surgical Intervention in Degenerative Spondylolisthesis". Department of Orthopaedic Surgery, SGH (Supervisor - Mr C T Tan, Senior Consultant)	Collaborator

GRANT

A novel development of 3D printed patient-specific scaphoid replacement: a cadaveric study Project fund and duration: \$48,500/- Apr 2019 to Mar 2021 (extended to Sep 2021)	Clinical Principal Investigator
NTU-Surgery Academic Clinical Programme (ACP) Strategic Joint Research Fund for "Fast, two-minute surgical procedure for splicing of blood vessels". Project fund and duration: \$50,000/- for 12 months (from Mar 2016)	Clinical Principal Investigator

NOTABLE RECORDS

Professional Membership

Local	Member, Singapore Medical Association (SMA) Executive Committee Member, Singapore Society for Hand Surgery (SSHS) Fellow, Academy of Medicine, Singapore
Regional/International	Executive Board Member, European Wrist Arthroscopy Society – 2017 to 2019 Executive Board Member, Asia Pacific Wrist Association – 2015 to present Member, Regional Education Training Team, AO Trauma Asia-Pacific – 2012 to present Faculty coach, AO Trauma International Education – 2012 to present Gold member, AO Trauma International – ongoing Member, American Society of Surgery of the Hand Member, British Society for Surgery of the Hand Fellow, Royal College of Surgeons of Edinburgh

Other Activities

SAF	Volunteer in medical mission to Indonesia – 10 to 17 July 2011
Children's Surgical Centre, Phnom Penh	Volunteer in medical mission work – 17 to 19 May 2015
Civic Organisations	Volunteer Doctor, St Luke's Hospital for the Elderly, Singapore Volunteer, The Boys' Brigade of Singapore
Sports and Recreation	Represented NUS in Bridge Tournaments 1992 to 1994 Represented MOH in Bridge Tournaments 1996, 2000, 2002 to 2011 Active in golf and tennis

NB: NUS – National University of Singapore, MOH – Ministry of Health

Past Appointments & Achievements

Secondary School

Member of the Boys' Brigade of Singapore

- Appointed Company Sergeant Major
- Attained the Rank of Staff Sergeant
- Awarded the Founder's Badge

Junior College

Committee Member of the Science Council

Organising committee member of the Annual Science Quiz

Sub-editor of the College Science Magazine

Committee member of the AUDIO-VISUAL AID (AVA) Crew

AWARDS

Faculty Appreciation Award, Residency in SingHealth Excels (RISE)	2020
13 th Asia Pacific Medical Education Conference (APMEC) – Merit Award (E-Poster Presentation)	15 & 16 Jan 2016
Singapore Health Quality Service Award - STAR Award 2015	Jan 2016
SingHealth Residency – Outstanding Faculty Award Academic Year 2014/2015	Aug 2015
SingHealth Quality Service Award - STAR Award 2014	Jan 2015
Certificate of Commendation – Role Model to class of 2014 (NUS-YLL)	Oct 2014
6 th Allied Health Innovative Practice Award	Feb 2013
Department of Orthopaedic Surgery, NUS, Outstanding Teaching Award	Oct 2012
Long Service Medal, Singapore Armed Forces	May 2012
Letter of commendation, Singapore Armed Forces	May 2012
Letter of commendation, Singapore Armed Forces	Apr 2012
Service with A Heart Award (Singapore General Hospital)	Mar 2012
Singapore Health Quality Service Award - STAR Award 2011	Jan 2012
Service with A Heart Award (Singapore General Hospital)	Feb 2011
Singapore Health Quality Service Award - Silver Award 2010	Jan 2011
Dean's Award for Teaching Excellence, Yong Loo Lin School of Medicine	2009/2010
EXSA 2009 Star Category	24 Nov 2009
Service with A Heart Award (Singapore General Hospital)	20 Aug 2009
EXSA 2008 Silver Category	11 Nov 2008
SingHealth CPIP project Merit Award winner	2008
SingHealth HMDP Award	2007
Good conduct medal, Singapore Armed Forces	2007
Letter of commendation, Singapore Armed Forces	2001

GOALS AND SPECIAL INTERESTS

I have always been interested in Hand Surgery after serving my internship/house officer year in medicine. I was exposed to Hand Surgery proper during my orthopaedic rotation as a medical officer in 1996. I went through my basic surgical training and took the Fellowship examination (Surgery in General) in 2000 at the Royal College of Surgeons of Edinburgh. I successfully applied to the Department of Hand Surgery, Singapore General Hospital in 2001 for a 1-year training rotation as a medical officer (Specialist grade).

To further my interest in Hand Surgery, I entered into Advanced Surgical Training programme in Hand Surgery since 2002 and completed specialist training in 2005. It was then that I continue to develop a keen interest and enthusiasm in the field of Wrist Surgery and Arthroscopy. As part of my sub-specialty training in wrist surgery, I have completed a 1-year HMDP fellowship programme in wrist surgery in 2006 to 2007 period. From March to November 2006, I was at the Centre for Hand and Upper Limb Surgery, Wrightington Hospital, Wigan, UK under the supervision of Prof John Stanley and from

December 2006 to March 2007, I was at the Kaplan Institute in Barcelona, Spain with eminent wrist surgeons, Drs Marc Garcia-Elias and Alberto Lluch.

Since my return from HMDP, I was appointed Director of Wrist Service in the Department of Hand Surgery in SGH up to end April 2012 and again from September 2017 to present. As the prime mover of the wrist sub-specialty, I take it as a challenge for me to bring the Hand Surgery Department to greater heights through application of current developments in wrist surgery and delivery of quality patient care.

Due to my subject matter expertise in hand/wrist trauma and sub-specialization in Wrist and minimally invasive upper limb surgery, I am involved as faculty for the AO Trauma and the International Bone Research Association (IBRA), both are international organizations for the study and research of traumatic injuries of the musculoskeletal system of the human body since 2010. Hands-on Courses organized by these 2 esteemed professional organizations are held worldwide every year for surgeons and residents on technical and surgical skill acquisition to the bones as well as soft tissue of the limbs after traumatic injuries. Since 2015, I am the course coordinator for South Asia and international faculty for the International Wrist Arthroscopy Society (IWAS) as well as the Executive Board member, chairman of the Congress committee and faculty for the Asia Pacific Wrist Association (APWA). I am also a consultant for relevant medical device and implant companies such as Smith and Nephew and Arthrex.

Since 2016, I have been the course director as well for the Annual Wrist Arthroscopy Course held every January in Singapore till its suspension this year due to the COVID-19 pandemic. I was also the designated Congress chairman for the 6th Congress of the Asia Pacific Wrist Association (APWA), which was to be held from 19 to 24 October 2020 but was postponed due to the pandemic. I am reappointed to chair the 8th APWA congress to be held in Singapore from 31 May to 3rd June 2023 in conjunction with the 13th Asia Pacific Federations of Society for Surgery of the Hand which I am also part of the Executive organizing committee.

I have also taken an interest in medical education as well as administration. I am currently both Adjunct and Clinical Associate Professor to the 2 medical schools in Singapore, Duke-NUS and NUS Yong Loo Lin Schools of Medicine, actively involved in both undergraduate teaching as well as in postgraduate teaching as a core faculty for the Orthopedic Residency programme (2011 to 2018) and now currently the Acting Program Director for SingHealth Hand Surgery Residency Programme. I was also in the Residency Advisory Committee for Hand Surgery (from 2012 till 2018), an appointed body by the Ministry of Health to provide oversight to the post graduate training for specialists and also to provide guidance and input towards the update and maintenance of the Hand Surgery training syllabus in Singapore. Since 1 April 2020, I have been appointed as Chairman of the Joint Co-ordinating Committee for the Hand Surgery Integrated Residency programme for which the role of the committee is to provide oversight to the planning and execution of the Hand Surgery residency training programme in the whole of Singapore.

In leadership roles, I was the former Head, Department of Hand Surgery at the Singapore General Hospital for 9 years (2009 – 2018) and the past President of the Singapore Society for Hand Surgery (2013-2015), I have been given the opportunity to take on administrative roles and responsibilities. I have also served as the executive committee member for both the Singapore Society for Hand Surgery (SSHS) as well as the Chapter of Hand Surgeons, College of Surgeons Singapore for many years, taking on different roles such as treasurer, secretary, vice president and committee member. I have served as a military reservist appointment holder (Battalion 2nd in command) for the Army Medical Services for the past 12 years and my roles have allowed me to make critical decisions from time to time to improve the efficiency and effectiveness of the Army Medical Services. I am also sitting on and chairing various committees as part of my exposure to hospital and medical administration. I have taken up the Directorship of the SingHealth Medical Affairs since July 2014 till June 2019. This position has given me the opportunity to plan and strategize the medical manpower needs of the organization on a long-term basis, in particular, junior doctors, which this portfolio is focusing on. I do hope to pursue postgraduate training in medical administration in time to come as part of my overall career development and progression.

I am also the clinical lead for the Hand service, Department of Orthopedic Surgery at Sengkang General Hospital (SKH) since August 2018. I have been responsible for its conception since the planning days back in 2013 till the official opening of the hospital in the 4th quarter of 2018 and now being involved 20% of my clinical employment in SingHealth cluster in the running of the service there.

I do look forward to further challenges and responsibilities ahead, either locally or abroad, to serve and contribute my skills and years of experience both clinically as well as in administrative and leadership roles should the opportunities arise.
